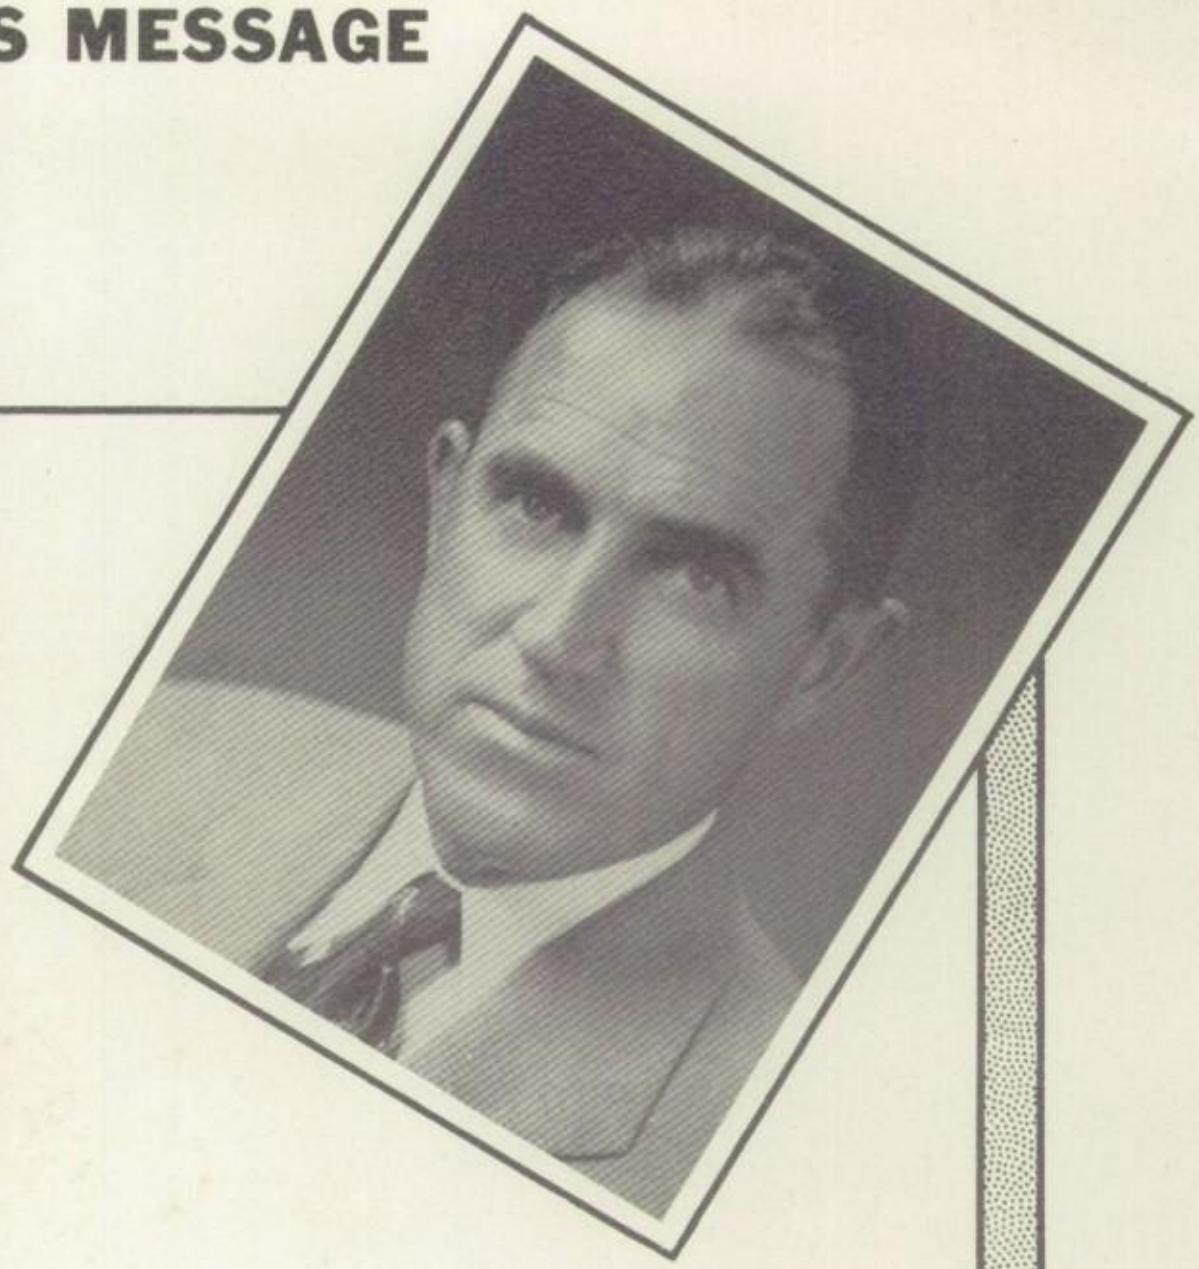
DEDICATION

Because of the devotion she has for her family, her church
and her community; because of her interest and faithful ser-
vice to her friends, her students and her profession; because
of the high esteem in which she is held by all who know her;
and because we know her influence for good will extend
through eternity, we affectionately dedicate this volume of
the WILDCAT to

"Miss Frances"

SUPERINTENDENT'S MESSAGE



Beyond the present uncertainty of the school situation looms a better day. The best minds of our state and nation, from all walks of life, are today applying the knowledge gained by successful experience in their own fields to the educational problems before us. Let us hope that as they and we move forward the fundamentals of education will not be left in the background.

Though we occupy buildings of stone and marble and have all the equipment necessary to make a hydrogen bomb--and do not know how to write and speak well, and how to use simple figures accurately, we have failed. These fundamentals placed upon a strong spiritual foundation will always be Education.

Sincerely,

D. L. Harrison

ALMA MATER

On the city's Western border,
Reared against the sky,

Proudly stands our Alma Mater
As the years go by.

Forward ever be our watchword
Conquer and prevail

Hail to Thee our Alma Mater
